MOHI

Richard Porter

Richard,

I think you are a very swell boy and cute boy. I just wished I had met you sooner. It's nice to see someone you are fond of every day at school. I don't know what I will do next year since I won't be in school here. I guess I will make out at least I will have to. I know next year at this time you won't even remember me, but I will still remember you. I hope that we will still be good friends after I graduate. I want to wish you all the luck and happiness in the future. I hope you enjoy your next 2 years in High School as much as I did mine. I will have to admit I'm glad I came to Mount Olive after all. I hope you find the right girl someday.

Love Always
Nina

I wish you luck
and hope you
school for yrs. Good
Bless you + yours + many
to you Richard

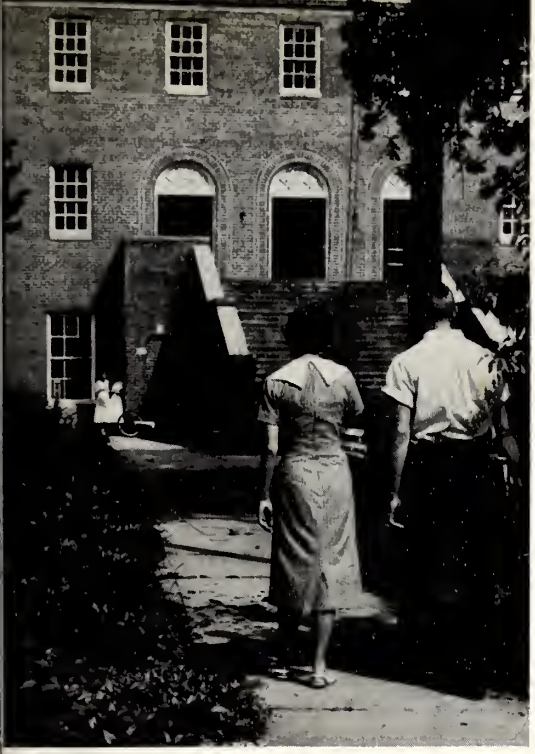
Foreword

For the first time in the history of the Mohi, the annual staff proudly presents a vivid colored page of Mount Olive High School. May it be a reminder of pleasant memories to past generations. To those who shall pass through its portals in the future, may it be a beacon of light, guiding their footsteps toward enlightenment, understanding and godliness that this may be a better world in which to live.

Many years have passed since we, the Seniors, entered into the sacred halls of M. O. H. S. Now we pause to look once more at our activities for the past four years.

You, the underclassmen, have played an important part in making this a yearbook to remember. May it bring enjoyment of remembering, laughter of experiences, and sadness of leaving, as you unfold its memorable pages.



A Day at School

We enter to learn.

Our first session is in home room where we answer roll call and organize our day's work.

For the proficient math student, the gates to opportunity are spread wide. As the demand for better mathematicians grow, our math department works to satisfy this demand.

Recess, where we catch up and restore not only our energy but our gossip.

Our science staff offers every student a greater understanding of the universe about us. Those interested in obtaining more than a basic knowledge of science may avail themselves of the courses in physics and chemistry.

Our lunch room staff works tirelessly to provide us with balanced meals daily.

Study hall, where peacefulness prevails and the mind acquires knowledge in quietness.

For those interested in securing a position on modern office staffs, our typing department offers an education in business procedures.

The bell has rung and once more we crowd the stairs to hurry home only to indulge again in study and preparation for the coming day.

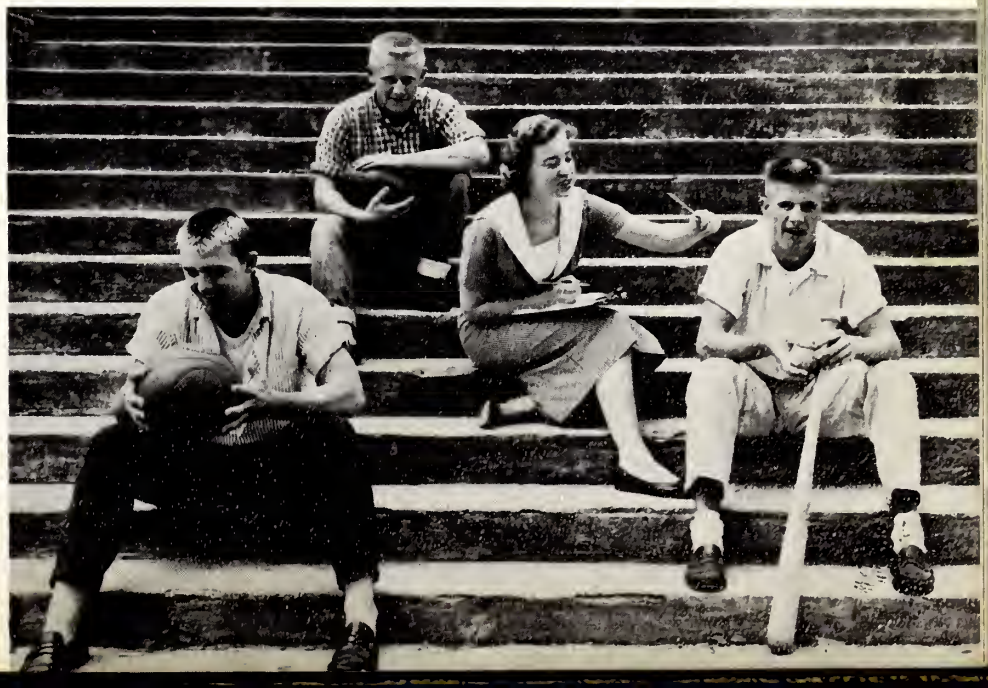
Mohi Staff at Work

While Nancy Dail is busy writing subscriptions to the '59 Mohi, Gail King and Judy Wilson are discussing a club and snapshot section.

To make sure that every sentence is in its correct form and every word is spelled correctly, Diana Porter and Jimmy Best proofread a copy sheet.

Sports are a very important section of the Mohi and Geraldine Whitfield is getting the low-down on each one.



Sponsor, Mrs. Casey, discusses new ideas and improvements for the '59 Mohi with Editor-in-Chief, Blanche Casey, and Assistant editor, Margaret Martin.

Janice Jones, head typist, keeps her typists, J. H. Draughon, Deloris Butler, Franklin Holloman, and Barbara Raynor busy with copy sheets for the Mohi.

To make the '59 Mohi even more interesting, Art editor, Snow Miller, and Assistant art editor, Pinky Loftin, plan their artistic work.

Dedication

As we reach the end of twelve years of school life, we think back about those who have helped us reach our goal and have tried to lead us through our school days with happy hearts and minds.

Words cannot express our appreciation for the various contributions the school, the student body, and our parents have made to us.

Therefore, to a special set of parents who have endeavored to make our school and social life enjoyable - as it has certainly been -, we would like to show our appreciation by dedicating the 1959 MOHI to Mr. and Mrs. Bill Daughtry.

Mr. and Mrs. Bill Daughtry, originators of the Teen-Age Club, are shown with the unfinished Teen-Age Building.

Mr. Bill, at his Saturday night task, collecting dance money to help support the Teen-Age Club.

GRADUATION

Graduation is nigh at hand
Parting will soon be near;
Our destiny we must demand
For the time will soon be here.

We leave the place where we first learned
The right and wrongs of life;
The halls; the rooms; the teachers; stern
Our worried moments of strife.

As we close the door on this epic of life,
To look for the future ahead;
God in His wisdom will lead with a light,
To the paths where our feet must tread.

Our destiny, we do not know
Our success may lead near or far;
But the years we spent at M. O. H. S.
Will build our pathway to the stars.

Class History

To step across the threshold into High School marks the beginning of four wonderful years. It is the beginning of a whirlwind of activities, parties, athletics, and of course, school work.

In September of 1955, forty bewildered Freshmen became a part of Mount Olive High School. A look at our new surroundings and duties frightened us, but as the year progressed we soon became acquainted with our new responsibilities. Our officers for that year were Linda Skipper, President; Billy Bracey, Vice President; and Jimmy Batson, Secretary-Treasurer.

Better acquainted with the rules of high school, we entered our Sophomore year with forty-five members. We elected for our class officers Harold Cook, President; P. K. Sutton, Vice President; and Blanche Casey, Secretary-Treasurer. To expand our class funds we had a talent show and a Halloween Dance. This year we had six waiters and waitresses chosen to attend the climax of the year, the Junior-Senior Banquet. This was quite an honor!

Entering into our Junior year brought many new thrills and new responsibilities. One was raising money for the Junior-Senior Banquet. To increase our funds, the class sponsored many money-making projects. On May 2, how proud we were to give our banquet with "Oriental Gardens" as our theme. Chosen by the forty-five Juniors as leaders for this wonderful year were Harold Cook, President; Vann May, Vice President; Linda Skipper, Secretary; and Blanche Casey, Treasurer. Norma Carole was chosen F.H.A. Queen and Gail King was elected F.F.A. Sweetheart.

Now, looked up to by the underclassmen, our forty-three Seniors enter their final year. Harold Cook was chosen President; Vann May, Vice President; Gail King, Secretary; and Blanche Casey, Treasurer. This busy year we had many things to look forward to; class rings, Senior Play, publication of the MOHI, the Washington trip, the Junior-Senior Banquet, and last but not least. our caps and gowns. This year Norma Carole Summerlin represented our school in the "Miss Holiday" Contest and was county winner. Gail King was named Miss Mount Olive High.

Many of our high school memories have been omitted for there is not space or words to express them. But on these last few days of May, going through our old familiar routines for the last times, we realize that our high school years are the happiest and most wonderful years of our lives and we shall always cherish them.

1958 Baseball

It takes two to tango.

Come on, boys!

Could this be serious?

On the Social Side

Rah, Rah, Rah!

Stomach comes first.

Moments to

"It's all in the game."

Going somewhere?

Sweet dreams.

Deloris and Gerry are out to get their men.

"I's in the Army now."

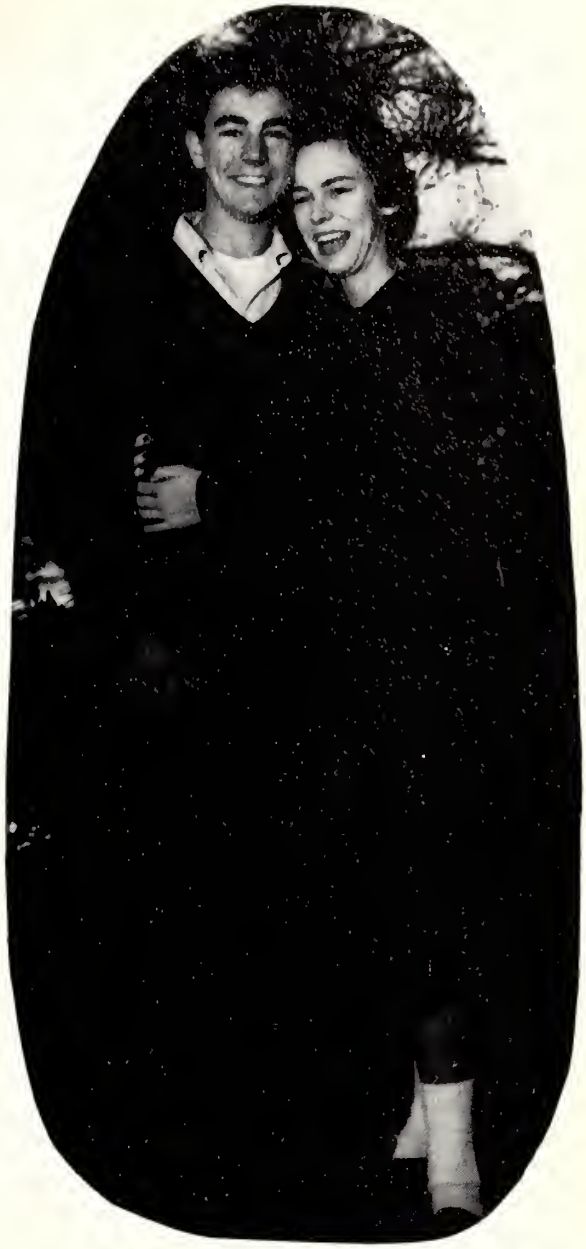
Anyone for hot dogs?

Hedy has trapped another boy.

Remember

Whoo-Whoo!

Let's get our make-up on girls.



Is this what they call friendship?

Let's have a party.

Maybe some day they will make it to Broadway.

Well, it looks as though we've gone the last mile, of high school, that is. Our destinies lie ahead, but as we go blindly toward our future we shall carry with us a little knowledge of the vast universe in which we live and for this knowledge we owe our love and appreciation to Mount Olive High School, where we spent the happiest years of our youth.

If in years to come just one person turns the pages of this yearbook and some phase reminds him of at least one fond memory then the 1959 Annual Staff has accomplished its purpose.

Richard.
May the best of
everything come to you.
I hope you get what you want
out of life. Lots of Luck
